**Examination Table**

**Article 6006 Examination Table**
With single electric motor for height adjustment and gas piston adjustable back cushion. Includes gas piston Trendelenburg position to $-18$ degrees.
Colour standard #12 Blue.

Comes with the following standard accessories:
- One motor hand control, Article 6350
- Paper-roll holder, Article 6326
- 4 locking wheels

For Accessories, see the Accessories Section.
Minor Surgery Table

Article 6006/OP, Minor Surgery Table
With single electric motor for height adjustment, black anti-static 2-section removable cushion and gas piston assisted back cushion. Gas piston assisted Trendelenburg.

Note: Picture shows optional arm rests.

Comes with the following standard accessories:
- One motor hand control, Article 6350
- Paper-roll holder, Article 6326
- 4 locking wheels

For Accessories, see the Accessories Section.
Heart Ultrasound Table

Article 6122, Heart Ultrasound Table
With two electric motors for height adjustment and back cushion adjustment. Gas piston assisted Trendelenburg positioning. This table comes standard with heart cut-out section and adjustable side support for patient when lying on the side.
Colour standard #12 Blue.

 Comes with the following standard accessories:
• Two motor hand control, Article 6354
• Paper-roll holder, Article 6326
• 4 locking wheels

For Accessories, see the Accessories Section.
**Urodynamics Table**

**Article 6202, Urodynamics Table/Chair**

With three electric motors for height adjustments, backrest and seat section adjustments. This table comes with the Sonesta patented locking device allowing for sitting & standing positions to be achieved.

Colour standard #12 Blue or #2 Grey.

Comes with the following standard accessories:
- Three motor foot control, Article 6357
- Seat cushion 170mm cut-out, Article 6366-3
- Paper-roll holder, Article 6326
- 2 x Foot rests- Fold-up, Article 6331
- 2 x Heavy duty Rissler Leg rests, Article 6336
- Large drainage receptor ,Article 6325-1
- 2 x Sonesta Hand grip/Arm rest, Article 6339-2
- 2 x Leg rest Holders, Article 6338

For Accessories, see the Accessories Section.
**Video Fluoroscopy Table**

**Article 6210, Video Fluoroscopy Table/Chair**
With three electric motors for height adjustments, backrest and seat section adjustments. New patented design allowing for sitting & standing positions to be achieved. Includes a blue one-piece cushion, which covers both the seat and back. The seat and back are made of carbon fiber for optimal imaging.

Comes with the following standard accessories:
- Hand control, Article 6356
- 2 x Foot rests- Fold-up, Article 6331
- 1 x Patient arm rest (fixed), Article 6339-X
- Plastic funnel with Drainage, adjustable height, Article 6325-9

For Accessories, see the Accessories Section.
Gynaecology/ Urology Tables

**Article 6302, Gynaecology and Urology Table/Chair**

With two electric motors for height and seat adjustments, gas piston controlled back cushion. Colour standard #12 Blue or #2 Grey.

Comes with the following standard accessories:

- Two motor foot control, Article 6353
- Seat cushion 170mm cut-out Article, 6366-3
- Paper-roll holder, Article 6326
- 2 x Heavy duty Risler Leg rests, Article 6336
- Large drainage receptor, Article 6325-1
- 2 x Sonesta Hand grip/Arm rest, Article 6339-2
- 2 x Leg rest Holders, Article 6338

For Accessories, see the Accessories Section.
Article 6302-U, Gynaecology and Urology
Table/Chair
With two electric motors for height and back adjustments, Fixed seat section.
Colour standard #12 Blue or #2 Grey.

Comes with the following standard accessories:
- Two motor foot control, Article P6409
- Seat cushion 170mm cut-out, Article 6366-3
- Paper-roll holder, Article 6326
- 2 x Heavy duty Rissler Leg rests, Article 6336
- Large drainage receptor, Article 6325-1
- 2 x Sonesta Hand grip/Arm rest, Article 6339-2
- 2 x Leg rest Holders, Article 6338

For Accessories, see the Accessories Section.
Article 6303, Gynaecology and Urology
Table/Chair
With three electric motors for height, seat and back cushion adjustments.
Colour standard #12 Blue or #2 Grey.

Comes with the following standard accessories:
- Three motor foot control, Article 6357
- Seat cushion 170mm cut-out, Article 6366-3
- Paper-roll holder, Article 6326
- 2 x Heavy duty Rissler Leg rests, Article 6336
- Large drainage receptor, Article 6325-1
- 2 x Sonesta Hand grip/Arm rest, Article 6339-2
- 2 x Leg rest Holders, Article 6338

For Accessories, see the Accessories Section.
Delivery and examination table

Article P6401, Delivery / Examination table
With two electric motors for height- and back adjustments. The table has automatic seat-tilt.
Standard colour # 28 Artic Blue.

Comes with the following standard accessories:
- Seat-cushion 120 mm cut-out, Article 451002
- 2 x Sonesta leg rests, Article 6336-2
- 2 x Arm rests, Article 402004 (l), 402014 (r)
- 2-motor hand control, Article 709616
- 2 x Side mounts, Article 402005
- Plastic catch basin, Article 472000
- Detachable foot section, Article 401003

For Accessories, see the Accessories Section.
Surgical Imaging Table

**Article 508-170-000 imagiQ™ Surgical Imaging Table**
For minimally invasive cardiovascular procedures. With an ultra-thin carbon fibre table top for optimal imaging at minimum radiation doses. Lateral tilt around a virtual axis reduces or eliminates C-arm repositioning. Simultaneous lateral tilt and free-float for fast and efficient patient positioning.

Comes with the following standard accessories:
- Pan handle, Article 30236
- Hand control, Article K79256
- Hand control extension cable, Article K79290
- Anti-static mattress, Article 30191
- Side rails (running 2/3 of the table)

**Accessories, imagiQ**

**Article 1264-1, Translucent Headrest**
Adjustable to optimize patient intubation.

**Article 51-3SR008, Translucent Arm board**
Fits on the table top’s upper rail free part. Used when brachial access is required.

**Article 51-3SR011, Detachable side rail, US High**
Fits on the table top’s upper rail free part. Used to attach accessories

**Article 51-3SR012, Detachable side rail, DIN**
Fits on the table top’s upper rail free part. Used to attach accessories

**Article K79256, Hand control**
Hand control with cable.

**Article 2590 Catheter Tray**
To be mounted at the foot end to place guide wire and catheters after the procedure.

**Article 30236, Pan Handle**
Used to put the table top in free-float position.

**Article 401117, Foot control, 3-motors**
Waterproof foot controls with footplate.

**Article 514-50-3DS001, External air connector female**
Connector for attaching external compressed air to the imagiQ table.

**Article 507-K79429, External 24VDC Cable**
Cable for connecting external 24VDC battery pack to imagiQ table.
**Accessories parts**

**Note:** Please specify colour at time of ordering accessories with cushions.

* = If mounted on the left side of the table adaptor kit required. Please contact Stille Sonesta AB.

**Article 6021, Arm support**

Made from standard cushion material to match the color of the table, this arm support can be attached directly to compatible tables. Designed to be used when attaching an IV line to patient. Arm board is infinitely adjustable in height, angle and radius.

Compatible with: 6202, 6302, 6303, 6205

**Article 6021-4, Arm support, 40cm long**

Made from standard cushion material to match the colour of the table, this arm support can be attached directly to compatible tables and is made with a 40 cm long horizontal bar on the holder for greater patient comfort. Designed to be used when attaching an IV line to patient. Arm board is infinitely adjustable in height, angle and radius.

Compatible with: 6202, 6302, 6303, 6205

**Article 6021-9, Arm support, for 6006 Examination tables.**

Made from standard cushion material to match the colour of the table, this arm support can be attached directly to compatible tables and is made with a 40 cm long horizontal bar on the holder for greater patient comfort. Designed to be used when attaching an IV line to patient. Arm board is infinitely adjustable in height, angle and radius.

Compatible with: 6006 series

**Article P6404, Arm support left**

Made from standard cushion material to match the colour of the table. This adjustable arm support can be attached to the accessory holder on the back cushion. Designed to be used when attaching an IV line to the patient.

Compatible with: P6401 table
**Article P6405, Arm support right**

Made from standard cushion material to match the colour of the table. This adjustable arm support can be attached to the accessory holder on the back cushion. Designed to be used when attaching an IV line to the patient.

Compatible with: P6401 table

**Article 6310, Zeiss Colposcope attachment** *

Type Zeiss - This bracket serves to attach a Zeiss colposcope directly to the side of the lift support under the seat. This allows the colposcope to stay at the same height as the patient's pelvis when you raise or lower table. To be mounted on patients right side of the chair.

Compatible with 6202, 6302, 6303 series tables.

**Article 6311, Leisegang Colposcope attachment** *

Type Leisegang - This serves to attach a Leisegang colposcope directly to either side of the lift support under the seat. This allows the colposcope to stay at the same height as the patient's pelvis when you raise or lower table. To be mounted on patients right side of the chair.

Note, not for Balance-O-Matic mount

Compatible with 6202, 6302, 6303 series tables.

**Article 6316, I.V pole with attachment** *

An IV pole with holder that attaches to a support under the seat cushion. The IV pole will stay in the height relative to the patient as it moves as the table is adjusted. To be mounted on patients right side of the chair.

Compatible with 6202, 6302, 6303 series tables.

**Article 6317, Leica Colposcope mount** *

Mounting bracket for Leica coloscopes MS5 & MZ6. Mounts on either side of the table. To be mounted on patients right side of the chair.

Compatible with 6202, 6302, 6303 series tables.
**Article 6319, Swing arm/MFD Flow Transducer**

Type MFD - Made to hold the uroflow unit made by MFD, this unit moves up and down with the table and can be easily swung out of the way when not in use. To be mounted on patients right side of the chair.

Compatible with 6202, 6302, 6303 series tables.

---

**Article 6325-1, Drainage receptacle**

Standard receptacle 60mm deep - A stainless steel receptacle with an adjustable 'quick change' holder.

Compatible with 6202, 6205, 6302, 6303 series tables.

---

**Article 6325-5, Plastic funnel drainage - Adjustable height**

A removable plastic funnel (236mm diameter top) mounted on a fixed height 'quick change' holder.

Compatible with 6202, 6205, 6302, 6303 series tables.

---

**Article 6325-7, Plastic drainage receptacle with stainless steel fixed height holder**

265 x 270mm opening, 160mm deep. Includes pre-cut drainage hole and hose connector.

Compatible with 6202, 6205, 6302, 6303 series tables.

---

**Article 6325-8, Plastic drainage receptacle with adjustable height holder**

265 x 270mm opening, 160mm deep. Includes pre-cut drainage hole and hose connector.

Compatible with 6202, 6302, 6303, 6205 series tables.
**Article 6325-9, Plastic funnel drainage - Adjustable height**

A removable plastic funnel (236mm diameter top) mounted on a fixed height 'quick change' holder.

Compatible with 6210 table.

**Article 6326, Paper roll holder**

Adjustable width 400 mm - 600 mm - standard on all models, mounted on the top of the back of the back rest cushion.

Compatible with 6202, 6302, 6303, 6205, 6122, 6006 series tables.

**Article 6328, Detachable side rail DIN**

Fits on the table top’s upper rail free part. Used to attach accessories.

Compatible with 6210 table.

**Article 6338-4, Arm rest holder**

This arm rest holder is used together with the 6328 detachable side rail. By loosening one handle, you can slide the holder up and down the length of the side rail.

Compatible with 6210 table.

**Article 6021-6, Arm rest**

This arm rest holder is used together with the 6328 detachable side rail and 6338-4 arm rest holder. Arm rest is covered with a soft foam material.

Compatible with 6210 table.

**Article 6331, Foot rest**

These footrests are adjustable in length from 30cm - 42cm. They are also adjustable in width and slide outward 19cm each. The bottom is upholstered with same colour as your table so if you fold them up they function as an extension cushion. The gas piston easily adjusts the angle. They are easily removed with a click-off system. Delivered standard on both the 6202 and 6205 tables.

Compatible with 6202, 6205, 6210, 6302, 6303 series tables.
**Article 6336, Heavy duty Rissler Leg rest**

Made of stainless steel, this leg rest has a ball and socket construction allowing tilt of the leg cushion in any direction in addition to the infinite angling when mounted in our leg rest holder model 6338.

Compatible with 6202, 6302, 6303 series tables.

**Article 6336-2, Heavy duty Rissler Leg rest**

Standard on 6205 and P6401 tables. Made of stainless steel, this leg rest has a ball and socket construction allowing tilt of the leg cushion in any direction in addition to the infinite angling when mounted in our leg rest holder model 6338.

Compatible with 6205 and P6401 series tables.

**Article 6336-4, Heavy duty Rissler Leg rest**

Made of stainless steel, this leg rest has a ball and socket construction allowing tilt of the leg cushion in any direction in addition to the infinite angling when mounted in our leg rest holder model 6338.

Compatible with 6210 table.

**Article 6335, Rissler Leg rest**

This leg rest allows tilt of the leg cushion. Compatible with Sonesta leg rest holder model 6338.

Compatible with 6202, 6205, 6302, 6303 series tables.

**Article 6336C, Leg rest cover**

Made from standard cushion material to match the colour of the table, this cover gives a better look to the table and helps protecting the leg rest.

Compatible with 6335, 6336, 6336-2 and 6336-4 leg rests.
**Article 6337, Steel Stirrup**
This stirrup fits into our standard leg rest holder.
Compatible with 6202, 6302, 6303, P6401 series tables.

**Article P6413, Foot rest**
Made of stainless steel and plastic foot section, fits into our standard leg rest holder.
Compatible with 6202, 6302, 6303, P6401 series tables.

**Article 6338, Leg rest holder**
This leg rest holder is standard on all 6300 models. By loosening one handle, you can adjust the leg rest to any height, width or angle. Can be rotated 360 degrees.
Compatible with 6202, 6205, 6210, 6302, 6303 series tables.

**Article 6339-2, Sonesta hand grip / arm rest**
The Sonesta hand grip/arm rest is designed to be both an arm support and a handgrip, giving the patient many possible places to hold onto. Quickly removed to allow transfer from a wheelchair.
Compatible with 6202, 6205, 6302, 6303 series tables.

**Article 6364, Extension cushion**
“Slide-in” extension cushion fits into the 2 square pipes under the front of the seat cushion and is easily removed when patient's legs are put onto the leg rests. Makes the table into a 175cm long flat examination table.
Compatible with 6202, 6302, 6303 series tables.

**Article 6362, Puzzle Piece Extension cushion**
Puzzle piece "Slide-in" extension cushions that fill the standard 170 mm cushion cutout. Fits into the 2 square pipes under the front of the seat cushion and is easily removed when patient's legs are put onto the leg rests. Makes the table into a long flat examination table.
Compatible with 6202, 6302, 6303 series tables.
**Article 6363, GP Extension cushion**

'Click-on, Click-off' extension cushion with gas piston angle adjustment. Makes the table a full-length examination table with adjustable foot-section. Compatible with 6202, 6302, 6303 series tables.

**Article 6365, Seat cushion (without hole)**

A 'quick change' accessory seat cushion that can be switched in seconds with any of our other seat cushions. You simply lift up on the front edge and lift it away and replace with another type. Compatible with 6202, 6302, 6303 series tables.

**Article 6366-1, Seat cushion, 80 mm Gynaecology / Urology**

80 mm deep cut out. A 'quick change' accessory seat cushion, which can be switched in seconds with any other seat cushion. You simply lift up on the front edge and lift it away and replace with another type. Compatible with 6202, 6302, 6303 series tables.

**Article 6366-2, Seat cushion 120 mm Gynaecology / Urology**

120 mm deep cut out. A 'quick change' accessory seat cushion, which can be switched in seconds with any other seat cushion. You simply lift up on the front edge and lift it away and replace with another type. Compatible with 6202, 6302, 6303 series tables.

**Article 6366-3, Seat cushion 170 mm Gynaecology / Urology**

170 mm deep cut out. A 'quick change' accessory seat cushion, which can be switched in seconds with any other seat cushion. You simply lift up on the front edge and lift it away and replace with another type. Compatible with 6202, 6302, 6303 series tables.
Article 6366-4, Seat cushion 220 mm Gynaecology / Urology

220 mm deep cut out. A 'quick change' accessory seat cushion that can be switched in seconds with any other seat cushion. You simply lift up on the front edge and lift it away and replace with another type.

Compatible with 6202, 6302, 6303 series tables.

Article 6370, Replacement Back cushion

Replacement back cushion fits all 6300 tables.

Compatible with 6302, 6303 series tables.

Article 6346, Neck pillow

An adjustable length neck pillow in the same upholstery as your table. A 'Velcro' strip attached to the paper holder allow you to quickly change its position for your patients' height.

Compatible with 6202, 6302, 6303, P6401 series tables

Article P6415, Restraint straps

Velcro straps for patient fixation. Pair of 1 meter long and 10 cm wide straps.

Article 6351, 1 motor Foot control

Waterproof foot control for 1 motor table with cable to transformer.

Compatible with 6301, 6006/OP, 6006 series tables

Article 6353, 2 motor Foot control

Waterproof foot control for 2 motor tables with cable to transformer.

Compatible with 6302 series tables.

Article P6409, 2 motor Foot control

Waterproof foot control for 2 motor tables with cable to transformer.

Compatible with P6401, 6122 and 6302-U tables.
**Article 6357, 3 motor Foot control**

Waterproof foot control for 3 motor tables with cable to transformer. Two pieces consisting of one 1 single control and one 2 connected controls.

Compatible with 6303, 6202, 6210 series tables.

Note: for 6210 table lift, seat and Trendelenburg functions can be activated by the foot control; back function must still be activated from hand control.

**Article 6359, Footplate, including 3 motor Foot control, (article 6357)**

Used to connect the 3 motor foot controls together.

**Article 6350, 1 motor Hand control**

Waterproof hand control for 1 motor table with cable to transformer.

Compatible with 6301, 6006 OP, 6006 series tables.

**Article 6354, 2 motor Hand control**

Waterproof hand control for 2 motor tables with cable to transformer.

Compatible with 6302, 6122 series tables.

**Article 6355, 3 motor Hand control**

Waterproof hand control for 3 motor tables with cable to transformer.

Compatible with 6303, 6202, 6205 series tables.
**Article 6356, 4 motor Hand control**

Waterproof hand control for 6210 table, with cable to transformer.

Compatible with 6210 table.

**Article 8090, Y-Cable**

Used to connect foot and hand control together
Enabling choice of both foot and hand control.

**Article 6313, Examination lamp**

Derungs Licht halogen examination lamp with adjustable holder arm Spot 48 000 lux at 0,5 m Reach 850 mm. With the specially designed arm, this lamp has a 66% switch as well as a full power switch and mounts on either side of table. Only available in 230V model.

Compatible with 6202, 6205, 6302, 6303 series tables.

**Article 6375, Examination lamp**

Sunnex halogen examination lamp with flexible arm. Intensity of 25 000 lux at 0,5 m. 8,4cm diameter spot pattern at 0.5m. This lamp has a unique double filtered lens and colour correction filter with lampshade extensions which helps to keep light cool on skin and illuminate with natural skin tones and improve tissue clarity. Includes mount that attaches to side rail.

Only available with 230V transformer.

Compatible with 6202, 6205, 6302, 6303 series tables.

**Article 8058 Extra grounding kit**

Extra grounding kit (ground equipotentialization) for urodynamic tables if sensitive EMG equipment is to be used. Factory installed if ordered with the table otherwise installation by technician required (not included in the price).

Compatible with 6202, 6205 and 6300 series tables.
