Orchid Spec
the new speculum

winner 2013
reddot design award

Innovative New Disposable Gynaecological Speculum

Preferred by Doctors (#1 in NL)

- fast single handed use & locking
- hands free after placement
- inward folded edges support Cervix
- edges reduce Cervix trauma
- superior non-breaking plastic
- superior strength design
- 50% lower costs

Preferred by patients (clinically proven)

- large rounded edges, no sharp edges
- pinch-free closing with extra gap
- never feels cold
- professional white look
